

Booragoon Primary School Champion Dads and Kids Bike Ride.

On Saturday the 3rd June the Booragoon Primary Champion Dads organised the first Dads and Kids bike ride event. The weather was perfect, no wind or rain and we had kids ranging from Pre-Primary up to Year 6 pedalling the 5km trip along the river foreshore.

A Kid's perspective.

The bike ride was really good! I liked it because I rode with my mates along the lovely river. We headed towards the café at Point Walter then turned around and rode back to the start with my Dad and little brother Toby. Then I played soccer on the oval while others kicked a footy around. At the end we got a slapband from Bicycling WA, a sticker and an ice-cream if we were 'lucky' enough.

Thanks to all who came along, everyone seemed to really enjoy it. It was great to see Dads and Kids spending quality time together and we hope to make this an annual event.

Declan Hanley.
