<p>4. Reports / updates</p> <p><i>Principal's Report – Barbara Horan</i></p> <p><u>ADMINISTRATION</u></p> <p><input type="checkbox"/> Current enrolment – 425.</p> <p><input type="checkbox"/> Staff Update: Mrs Whiting is on sick leave, and her tandem teacher, Ms Wan is teaching the class full time. Mrs Leather is backfilling for Ms Wan, 0.2FTE in Mrs Fernandez's class.</p> <p>Mrs Dos Santos, returns from leave next week. Thanks to Mrs Mulvey, who has been teaching Music this year in her absence.</p> <p>Mrs Strachan is continuing to backfill for Mrs Sampson, whose leave is on-going. She might have returned this term, but her treatment for cancer has placed her in the vulnerable category.</p> <p><input type="checkbox"/> The Admin Upgrade has been delayed due to COVID-19.</p> <p><input type="checkbox"/> The refurbishment of the multi-purpose courts is underway, though this has also slowed down due to the virus. We are hoping that the balance of the funding can be used to two possible projects – the extension of the under-cover area, and new fencing along The Ramble. Both of these projects would need to be approved by the Department.</p> <p><input type="checkbox"/> Use of school facilities (except for OSH Club) has been on hold, but can now resume, with conditions attached.</p> <p><input type="checkbox"/> We've had a request from Football West to use our oval after school for training purposes. A "Use of School Property" licence is necessary, and I'm waiting for the coordinator to get back to me as to whether they want to progress the request.</p> <p><input type="checkbox"/> There is a vacancy for a parent representative on the School Board. I'll be asking for nominations shortly. I mention this because if we are to have a P&C Representative on the Board, they need to nominate/be nominated through the usual process, and would need to be successful in the election.</p> <p><input type="checkbox"/> School Development Days – Monday of Week 1 and Wednesday of Week 3.</p> <p><input type="checkbox"/> Student Reports. The Department has decreed that due to the unstable classroom situation since mid-Term 1 schools are not required to award A-E grades or achievement against the 5-point scale.</p> <ul style="list-style-type: none"> ● Department Template to be used (this is the only one previously agreed to by Union and as per EBA) ● Comment on progress for English and Maths, not achievement and include "Learning Area Effort" ● All other learning areas taught to have "Learning Area Effort" indicated (this meets the basic requirements), no need for achievement or any other comment here ● Overall Attitude, Behaviour and Effort at the bottom of the report 	

<ul style="list-style-type: none"> ● General comment for each child. □ Staff feedback on the suggested art project. <p style="text-align: center;"><u>STUDENTS</u></p> <ul style="list-style-type: none"> □ We've resumed assemblies, but with a difference. They are conducted over the PA so that merit certificates and times table challenge certificates can be handed out. The class scheduled for an item films the activity, provides each class with a copy of it, and all classes watch it following reports, certificates etc. □ Hopefully, many families will participate in Noelene's art project. If we receive lots of 'leaves', it will be absolutely beautiful. She has also called for the donation of bulbs to plant a garden around the installation that would flower every year. <p style="text-align: center;"><u>GROUNDS AND FACILITIES</u></p> <ul style="list-style-type: none"> □ The BODs group are progressing the development of a gravel bush track adjacent to the retirement village. □ They are also looking into some improvements to the oval, particularly focused on the Parramatta Grass; and the unevenness in certain parts. □ I've asked the Melville City Council to replenish the doggy bags at the Clements Road entrance to the oval, because the amount of dog droppings has been excessive.

This will potentially be saving us over \$2000. Barb has already approved this and I have checked out with the</p>	

<p><i>Melville planning department to ensure school ownership of land too. We may be using the equipment to assist us around the school for moving mulch and sand too.</i></p> <p><i>What the BOD's want to do is have some cracker dust (fine brown coloured gravel) delivered to the oval, this would enable us to create a rideable surface while keeping the natural aesthetics of the bush. We estimate this to cost approximately \$700 - this is what we need permission to spend please. We have recognised that the 2 basketball hoops and backboards are in a state of disrepair and we have begun pricing the plywood and other items required to replace and repair these. We will remanufacture the backboards and replace the hoops and nets and estimate a spend of \$200.</i></p> <p>Proposed: Shelly Secoded: Nat</p> <p>Motion: <i>The 'Booragoon P&C to pay \$700 to fund the purchase of gravel for the bike track project'</i></p> <p style="text-align: center;">Motion Carried</p> <ul style="list-style-type: none"> • Query over proposal for \$200 regarding replacement of basketball backboard – Barb to follow up regarding current renovation project. 	<p>Barb</p>
